

Supporting Our Church Through Financial Giving

“Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver.”

2 Corinthians 9:7

The stewardship of the Christian life involves stewardship over multiple realms of life: our time, our talents, our treasure. One aspect of the faithful stewardship of our treasure is financial support of our local church and her ministries. Did you know there are multiple ways you can submit tithes and offerings to RBC?

- **In the offering plate.** During a Sunday worship service, you can place your contribution in the offering plate as the offering is collected in the service. Most of us are accustomed to giving this way, and many are most comfortable using this option. Whether contributing by cash or by check, submitting your offering this way in an envelope with your name allows convenient giving to the general budget and of designated offerings, such as seasonal missions offerings and to the Worker’s of the Harvest fund.
- **Through your bank.** Many banks provide their customers the option of paying bills and sending checks to others through online banking services. Often both one-time and recurring transactions can be performed through these services. This option can also be used to have contributions sent to the church. Contact your bank for specific details regarding the services they provide and any fees that may apply.
- **Through electronic giving (*available beginning June 1st*).** Visit the church website (<http://rbctoday.com>) beginning June 1st to take advantage of secure electronic giving through Egive.com. Through this service, you will be able to set up one-time and recurring contributions to RBC. You will be able to indicate designations (general budget, special offerings, etc.) as well as make payments for special activities (Christ poinsettia and Easter lily purchases, Wednesday PM dinner payments, etc).

Questions? There will be an info session on **June 1st at 5:15 PM in the Fellowship Hall** for those who may have questions about getting started with electronic giving through Egive.
